This curfew will be reasonably enforced and used to maximize the intent behind it.

Once Pentz is opened as a corridor for Magalia residents it will be open.

RE: your article about the curfew

I live in the Upper Coutolenc Zone. Does that mean I can't drive on Pentz (when it reopens) to get to my house past 8 pm?

Good morning Mayor Jones, Mayor Stone and Councilmembers Schuster and Brown,

You may have already received communications via our partner orgs about this effort. Wells Fargo is working diligently alongside the North Valley Community Foundation and many other non-profit organizations in order to announce additional support next Friday, January 25th, to the ButteStrong Fund and rebuilding efforts in your communities.

In preparation for this new commitment, Wells Fargo is deploying national media resources to Chico this Sunday and Monday to capture video interviews for internal and external media. These interviews will be shared nationally and locally to preempt our CEO's announcement on CBS next Friday, Jan. 25th.

We would love to include interviews of you, our local civic leaders, to offer your own perspectives and that of your impacted communities. Ideally, we would have one elected official from Paradise and one from Chico to offer this insight on camera.

If you'd like to participate on-camera this weekend, Sunday or Monday, can you please share the following?

- Your availability (Sunday and Monday)
- If not you, who would be the other leader to stand in your place?
- Best contact information for logistics this weekend?

Thank you for your timely response. Please reply-all to ensure Joanna Padilla, Kären Woodruff and I are all updated.

Hi Shari and Jon -

I wanted to confirm dates and the schedule for DC.

Monday, April 1 - Travel
Tuesday, April 2 - Meetings all day
Wednesday, April 3 - Meetings all day
Thursday, April 4- Meetings (1/2) day and late travel Friday, April 5 - Travel

Folks can chose to fly home late Thursday night or Friday morning. I'm looking to only use Thursday half day for meetings.

Jon - I know you aren't going but wanted to keep you in the loop to update the Town.

Shari - If you need to fly home on Thursday, I can adjust the schedule for that day to be transportation driven so you are there for the County meetings.

In terms of hotels, last year you stayed at the Kimpton. You can stay there again or you try Hotel Lombardy. It's right around the corner from our new offices and we have a contract rate there of \$239 plus tax. If the hotel is at 85% occupancy, our rate is not available but the hotel will discount up to 15% off the best available rate. It's a historic refurbished hotel so nothing fancy but I've stayed there and it's decent. Here's the link you'll need to use if you book with them. <https://www.reservations-page.com/C00519/H11150/ov.aspx?pc=LFERG>

Thanks!
